Dear valued member,

Yesterday, the E-board unanimously voted to engage the services of a local contractor who is applying for our building permit so construction of the Pistol range can begin!

The club is again buzzing with excitement, anticipation and promise after a long hiatus.

The range is the club's primary focus but it is not the only project that needs attention.

The formation of a "fund raising" committee was deemed necessary and this letter serves to kick off what is being called our Annual Member's Fund Drive!

In anticipation of the club's membership growing, the Annual Drive has been designed to gain insight on projects and activities the membership desires. Included in this package is a pledge card. It has been designed specifically to allow each contributing member to designate your gift to any priority listed.

Please join us by making a gift of \$100 or more to the Scituate Rod & Gun Club Members Annual Fund.

Sincerely,

Ernie Foster  
Life Member/Fund Raising Chairman

*PS. Please help us sell the enclosed gun raffle tickets (gun generously donated by Phil Lennon) in addition to or alone as a donation!*
